درباره ما :

دشوار نیست فتح قله های موفقیت؛

مادام که در حرکت و تلاش برای تحقق رویاها، در سایه سار خرد جمعی دست یکدیگر را به مهر بفشاریم؛
و بر سر این پیمان وفادار بمانیم که: باید از گذرگاه کارآفرینی و جلب رضایت مشتری، آرام آرام به توسعه ای افقی تازه
در آسمان تولید دست یافت و بی هراس از محدودیت ها، به تحقق رویای خویش و اقبال جهان، از تولیدات طوطیا سرام اندیشید.
آنگاه با بهره مندی از نبوغ جوانان و با «شعار طوطیا طلوع یک رویا» ، هنر ایران زمین را به جهان معرفی کرد.
به امید آنکه حاصل تلاش دست های هنرمندان این تیم؛ زینت بخش خانه های شما گردد.

شرکت طوطیا سرام ناین در سال ۱۳۸۹ تاسیس شد که به دلیل ناکافی بودن منابع مالی و عدم همکاری بانکها به مدت ۱۱ سال راکد ماند.
در سال ۱۴۰۰ با ورود هیئت مدیره جدید و جوان و با تزریق منابع مالی از محل آورده سهامداران با سرعت شروع به کار کرد و پس از دو سال
در سال ۱۴۰۲ به بهره برداری رسید.

شرکت طوطیا سرام در زمینی به مساحت ۱۵ هکتار تاسیس شده و در حال حاضر با ظرفیت ۳ میلیون متر مربع محصولات پرسیلانی در حال تولید
می باشد، که در آینده ۳ میلیون متر مربع محصولات پرسیلانی ساینز بزرگ (اسلب) نیز به این مجموعه اضافه خواهد شد.
محصولات شرکت کاشی طوطیا سرام ناین بر اساس استاندارد ملی شماره ۲۵ (INSO۲۵) که مربوط به استاندارد کاشی های سرامیکی می باشد
تولید و با گروه جذب آب I (محصولات پرسیلانی و کف جذب آب کم) به بازار عرضه می گردد.

About Us :

Conquering the peaks of success is not difficult;

As long as we move and strive to realize our dreams, in the shadow of collective wisdom

Let us hold hands in kindness;

And remain faithful to this covenant: that we must, through entrepreneurship and customer satisfaction

Gradually reach a new horizontal expansion in the production sky and, unafraid of limitations, think about realizing our dreams and the global acceptance of Totia Ceramic products.

Then, by utilizing the ingenuity of the youth and with the slogan "Totia, the Dawn of a Dream", introduce the Persian Art to the world.

We hope that the result of the efforts of this team's artisans will adorn your homes.

Totia Ceramic Nain

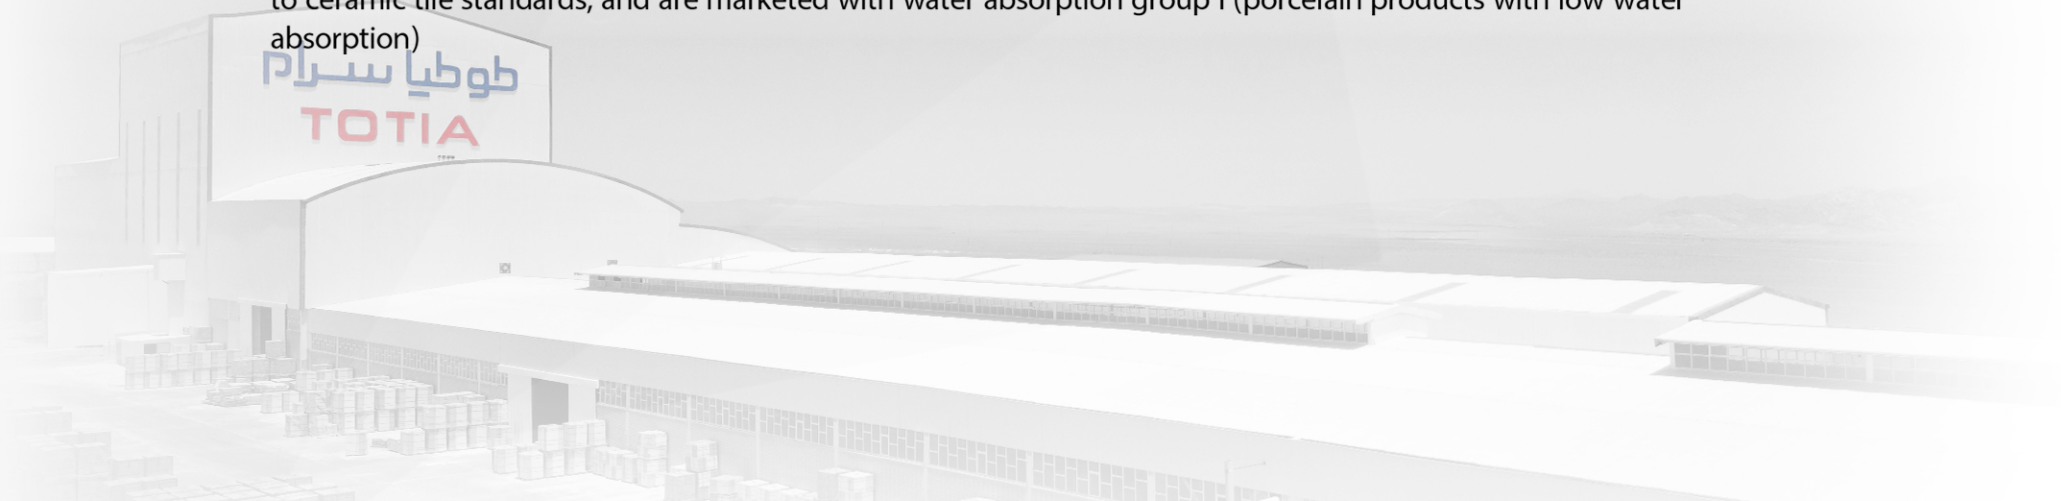

Company was established in 2010. Due to insufficient financial resources and lack of cooperation from banks, it remained inactive for 11 years.

In 2021 with the arrival of a new and young experienced board of directors and the injection of financial resources from shareholders' contributions, the company quickly became operational in 2023

Totia Ceramic Company is established on a 15 - hectare land and currently produces 3 million square meters of porcelain products annually. In the future, an additional million square meters of Large Format Tile (LFT) porcelain products (Slabs) will be added to this collection.

The products of Totia Ceramic Nain are produced according to national standard number 25 (INSO25), which pertains to ceramic tile standards, and are marketed with water absorption group I (porcelain products with low water absorption)
